---

## 🎯 Objective

Motivated and detail-oriented Artificial Intelligence Engineer with a strong foundation in machine learning, computer vision, and software development. Passionate about developing intelligent systems that bridge the gap between data and decision-making.

---

## 💼 Experience & Projects

- **IBM Artificial Intelligence Training — *2025***
  Completed a certified AI course via IBM SkillsBuild, covering foundational and applied AI skills.
- **IBM Design Thinking Certifications — *2025***
  Earned multiple IBM-issued certificates in Design Thinking practices for innovative AI solution development.
- **Medical AI Diagnostic System — *2025***
  Developed a Python-based diagnostic system applying machine learning to assist in medical image analysis.
- **Python Fundamentals Course — *2025***
  Built solid programming fundamentals including data structures, object-oriented programming, and scripting.
- **Supervised Machine Learning: Regression and Classification — *2025***
  Hands-on project implementation using regression and classification models.
- **Bank Management System — *2024***
  Simulated basic banking operations using object-oriented programming in C++.
- **Sudoku Solver — *2024***
  Developed an intelligent Sudoku solver with a GUI interface.
- **GPA Calculator — *2023***
  Built a GPA/CGPA calculator application with a user-friendly interface using C++.
- **HR Learning & Development Certificate** —*2025*
  Completed a certified program in Human Resources Learning & Development.

---

## 🛠️ Technical Skills

• Programming: Python, C/C++, Java, HTML/CSS/JavaScript

• Platforms: Windows, Ubuntu

• Tools: Git, Jupyter, VS Code

• Domains: Machine Learning, AI, Computer Vision

---

## 🎓 Education

Faculty of Artificial Intelligence
Egyptian Russian University — B.Sc. in Artificial Intelligence Engineering

📅 Expected Graduation: 2027     📈 CGPA: 3.38

---

## 💡 Soft Skills

• Fast learner & problem solver

• Team player with leadership potential

• Effective multitasking & time management

---

## 🌍 Languages

• Arabic: Native

• English: Fluent (B2)
